

Spring 2023

Dear Cedar Valley Community Member,

Spectrum JamFest is May 20, 2023 in downtown Cedar Falls, IA. Spectrum JamFest is an outdoor live music event showcasing local youth and school bands (rock, country, hip-hop, pop, metal, punk, alternative, etc.). **Proceeds and donations go to support the UNI Spectrum Project.**

2023 Spectrum JamFest Headliner **MANDY HARVEY** is a singer, songwriter, author, and speaker who happens to be deaf. Mandy was Simon Cowell's "Golden Buzzer" pick on America's Got Talent. The video has collectively received over 500 million views. Mandy uses her talents and artistry to encourage others which can be seen by her many acts as part of nonprofit organizations such as No Barriers USA. At Spectrum JamFest, students will be invited onstage to sing and play the ukulele with Mandy.

About the Spectrum Project...

The Spectrum Project combines MUSIC, DANCE, DRAMA and ART for children with differing abilities. Productions are created by the ideas of the performers with direction from college students. Each year, the Spectrum Project serves over 60 performers and their families.

The Spectrum Project performers come from the Cedar Valley and range in age from 5 to 19. Performers meet each Saturday beginning in January. For ages, 18-24, there is a Production & Design department.

Each performer is paired with a Spectrum Project Buddy for the whole season. Buddies are UNI, Allen College and Hawkeye Community College students who volunteer each week to work with performers.

Since 2015, the Spectrum Project has provided performing arts experiences for children with differing abilities in the Cedar Valley and now offers singing lessons through a program called *Spectrum Sings!* as well as a rock band of performers called *Spectrum Rocks!*

The Spectrum Project is supported through participating families, the UNI School of Music and community support.
